

World Leprosy Day

January 31, 2010

Dear Friend,

Thank you for joining with us for World Leprosy Day 2010. Your prayers continue to offer hope, healing and a future of dignity to people suffering from the devastating effects of leprosy.

The enclosed resources provide everything you need to tell your congregation about World Leprosy Day including:

- Poster
- Bulletin inserts
- Sermon resources
- DVD
- Response form to be returned with your gift
- A return envelope for your convenience

These pieces introduce the plight of those with leprosy and give your congregation the opportunity to raise awareness about the disease and bring their care before the Lord. In the weeks leading up to World Leprosy Day, please use the enclosed poster as a poignant and powerful reminder of the event.

While World Leprosy Day is intended to focus attention, understanding and prayer upon those who suffer with leprosy and those who serve them, it is also interesting to note that the cost to cure and care for someone with leprosy is just \$350 a year. This includes care such as the administration of the cure, medical treatments, reconstructive surgery, social support, low-cost housing and vocational training. Should you choose, your congregation can also offer monetary gifts to bring complete healing to someone with leprosy today.

For more information about World Leprosy Day and the work of the Mission please visit our website at www.leprosy.ca or call me personally at 1-888-LEPROSY (537-7679).

Thank you! Your prayers bring those living with leprosy the tools and support they need to live a life beyond the devastating effects of disease.

Sincerely,

Gisele Gedeon
Director of Community Relations
